ABOUT US

Marc Davies is an award-winning cabinet-maker based in Milton Keynes, creating furniture for both domestic and commercial settings.

His portfolio comprises free-standing and built-in furniture, ranging from large elegant wardrobes and console tables to small beautiful jewellery boxes.

These images are just a small selection of Marc's completed projects, most of which started life as a simple sketch. One thing they have in common is that they've all been lovingly crafted to last a lifetime.

Customer satisfaction is a huge part of the business, evidenced by repeat business and referrals.
